## WORK EXPERIENCE

### APAC Hackathon Coach, Major League Hacking

Nov 2020 – Present

- Assisting organizers and mentoring participants in Major League Hacking's member hackathons across the Asia-Pacific while evangelizing Major League Hacking's opportunities within student tech communities

### User Research Intern, Progate

Oct 2020 – Dec 2020

- Brainstormed new hypotheses and conducted research activities to understand user perception of the Progate platform and deliver evidence-based insights on coding education in Indian students to the community and product teams

### Community Intern, Progate

April 2020 – Sept 2020

- Developed Progate's overall student community through various self-initiated and pre-existing educational initiatives
- Enabled over 2600 new learners to get their start in programming through the Progate platform

## PROJECTS

### CodeCapture

- A web app that enables coding education for students without computers by taking code from paper to the mobile browser
- Built the entire serverless infrastructure (including OCR API implementation), managed database communication, and web app deployment
- Tech Stack:** .NET Core, Azure Functions, Azure Cognitive Services, Azure Database for MySQL, Azure Static Web App

### TagCOVID

- A cross-platform app created to help healthcare institutions catalog contact details of COVID-19 patients from their staff's smartphones
- Tech Stack:** Xamarin.Forms, Azure Cosmos DB

## SKILLS

- Tech Skills:** Java, C#, .NET, Xamarin.Forms, Microsoft Azure, Git, Linux, DBMS, HTML/CSS, JavaScript, IT Fundamentals
- Misc. Skills:** Community Development, Public Speaking, Content Writing, Strategic Planning, Team Management

## ACHIEVEMENTS

- Won **Popular Choice** prize at the **Microsoft Azure AI Hackathon**
- Awarded the **Azure Heroes AI Ambassador** Digital Badger by **Microsoft**
- Selected as the **National Winner** in the **Education** category at the **Microsoft Imagine Cup 2021 India Chapter**
- Featured in the **Student Showcase at .NET Conf 2020** for the **Xamarin.Forms edition of CodeCapture** (cross-platform mobile app)
- Awarded **Tutorials Link Tech Community Impact Award** by **Tutorials Link**
- Selected as a **Member** of the **.NET Foundation**
- Developed a coding education **activity** that has been **selected to be featured** in **Hour of Code 2020** by **Code.org**
- Selected as a **Gold Microsoft Learn Student Ambassador** in a **cohort of 23** from **1200+ Ambassadors** in India
- Awarded the **Azure Heroes Community Hero** Digital Badger by **Microsoft**
- Won **Best Overall** prize at the first-ever **Microsoft Visual Studio Code Hackathon**
- Selected among the **Top 50 Microsoft Student Partners** in the **Asia-Pacific region** to attend the **Asia Regional Summit 2020** by **Microsoft**

## CO-CURRICULAR ACTIVITIES

- Selected as a **Speaker** at **DevRelCon Tokyo 2021**, a global Developer Relations conference
- Selected as a **Speaker** at **Global AI Student Conference**, a conference by the Global AI Community and Microsoft Learn Student Ambassadors
- Selected as a **Speaker** at **DevRel Asia 2020**, the biggest Developer Relations conference in Asia
- Organized **Global AI on Virtual Tour Mumbai**, a **Global AI Community** initiative to generate awareness on AI and its best practices
- Selected as a **Speaker** at **MLH Hackcon VIII**, Major League Hacking's annual conference for hackathon organizers and community leads
- Leading the organizing team of the **HackOn Hackathon**, a global digital hackathon focused on social good
- Selected as an **#IamRemarkable** Facilitator, a Google initiative empowering women and other underrepresented groups
- Evangelizing Google's technologies in my university as the **General Secretary (Core Team)** of our **Google Developer Student Club**
- Selected as **Volunteer Lead** at **ng-India 2020**, the annual conference for Angular developers in India

## EDUCATION

B.Tech (Computer Science & Engineering)	2022	Amity University, Noida	CGPA: 7.33/10
ISC – Class XII	2018	The Doon School, Dehradun	Percentage: 82.40 %
ICSE – Class X	2016	The Doon School, Dehradun	Percentage: 92.00%
