WORK EXPERIENCE

APAC Hackathon Coach, Major League Hacking

Nov 2020 – Present

- Assisting organizers and improving hacker experience in Major League Hacking's member hackathons across the Asia-Pacific
- Managing the execution of "Hosted By MLH" hackathons and delivering technical content at the flagship "MLH Local Hack Day" events

Junior Software Developer Intern, Techdome Solutions

May 2021 – July 2021

- Developed backend APIs for a web-based software solution for a current client using ASP.NET 5 and Entity Framework Core 5
- Created serverless Azure Functions with .NET Core 3.1 to automate mass data ingestion from external services on Azure SQL Server

User Research Intern, Progate

Oct 2020 – Dec 2020

- Conducted research activities to understand user perception and assist with product strategy for the Progate platform
- Delivered insights on coding education and industry requirements for graduates of technical colleges and universities in India

PROJECTS

CodeCapture

- A web app that enables coding education for students without computers by taking code from paper to the mobile browser
- Built the entire serverless infrastructure (including OCR API implementation), managed database communication, and web app deployment
- Tech Stack:** .NET Core, Azure Functions, Azure Cognitive Services, Azure Database for MySQL, Azure Static Web App

SOS App

- A mobile app that SMSes a pre-decided emergency contact number with the coordinates and address of the mobile phone
- Tech Stack:** Xamarin.Forms, Azure Functions with .NET, Google Maps Geocoding API, Twilio Programmable SMS

SKILLS

- Development Technologies:** C#, .NET Core, ASP.NET, Xamarin.Forms, Core Java, SQL, HTML/CSS, JavaScript
- Deployment Tools and Cloud Platforms:** Microsoft Azure, GitHub, Vercel
- Project Management Tools:** Azure DevOps, Asana, Trello
- Code Editors and IDEs:** Visual Studio IDE, Visual Studio Code, NetBeans IDE
- Misc. Skills:** Community Development, Public Speaking, Content Writing, Strategic Planning, Team Management

ACHIEVEMENTS

- Won **Best Use Of Linode Cloud** prize at **Hacktoon**, a hackathon hosted by **Major League Hacking**
- Selected in the **Twilio Champions** Program, Twilio's MVP program for folks actively building with Twilio and impacting tech communities
- Won **Popular Choice** prize at the **Microsoft Azure AI Hackathon**
- Awarded the **Azure Heroes Community Hero** and **AI Ambassador** Digital Badgers by **Microsoft**
- Selected as the **National Winner** in the **Education** category at the **Microsoft Imagine Cup 2021 India Chapter**
- Featured in the **Student Showcase** at **.NET Conf 2020** for the [Xamarin.Forms edition of CodeCapture](#) (cross-platform mobile app)
- Selected as a **Member** of the **.NET Foundation**, the non-profit organization supporting the open-source ecosystem around the .NET platform
- Developed a coding education [activity](#) that has been **selected to be featured** in **Hour of Code 2020** by **Code.org**
- Selected as a **Gold Microsoft Learn Student Ambassador** in a **cohort of 23** from **1200+ Ambassadors** in India
- Won **Best Overall** prize at the first-ever **Microsoft Visual Studio Code Hackathon**

CO-CURRICULAR ACTIVITIES

- Selected as a **Speaker** at **C# Corner Azure Summit 2021**, a global conference focused on the Microsoft Azure ecosystem
- Selected as a **Speaker** at **MLH Hackcon VIII** and **Hackcon IX**, Major League Hacking's annual conference for hackathon organizers
- Led the organizing team of the **HackOn Hackathon**, the largest student-led social good focused digital hackathon in India
- Selected as a **Speaker** at **DevRelCon Tokyo 2021**, a global Developer Relations conference
- Selected as a **Speaker** at **Global AI Student Conference**, a conference by the Global AI Community and Microsoft Learn Student Ambassadors
- Selected as a **Speaker** at **DevRel Asia 2020**, the biggest Developer Relations conference in Asia
- Organized **Global AI on Virtual Tour Mumbai**, a **Global AI Community** initiative to generate awareness on AI and its best practices
- Evangelizing Google's technologies in my university as the **General Secretary (Core Team)** of our **Google Developer Student Club**

EDUCATION

B.Tech (Computer Science & Engineering)	2022	Amity University, Noida	CGPA: 7.34/10
ISC – Class XII	2018	The Doon School, Dehradun	Percentage: 82.40 %
ICSE – Class X	2016	The Doon School, Dehradun	Percentage: 92.00%
